COLA Survey Deadline Extended

The deadline for service members, Department of Defense civilian personnel and their spouses to complete the Cost of Living Allowance survey has been extended to Jan. 30. Taking part in this short survey helps ensure that community members living overseas receive an accurate COLA, which could mean an increase in the current COLA amount. Every unit should aim towards 100-percent participation. The stronger the participation, the more accurate the COLA will be. To complete the survey, access the 266th Finance Web site at www.266.fc.hqusareur.army.mil/266fincom/COLASurvey/COLA.htm.
